

Costumes and Dancewear is the name of the store that supplies our dancewear and shoes. I have used this specific store for many years and you will receive a discount because you are my student. Please take this "Dancer's Handbook" with you so that they know you are my student (this allows you to receive your discount).

If you are going to the store to purchase shoes, please do not arrive at closing time. If you need to purchase pointe shoes please call ahead to make an appointment.

Limit one coupon per customer. Offer good through October 15, 2013.

We accept all competitors' coupons.

This coupon can be used at Costume & Dancewear.

It can not be used for leotards and/or tights (they are already sold to you at a discounted price). But it may be used for dance shorts, shoes and any other items that you purchase in the store. The total of your purchase must equal \$50 before discount is applied (this total can not include leotard and/or tights in the purchase).

Coupon is good until October 15, 2013.

**** Please note: Prices are subject to change at anytime throughout the year. You will receive a discount off of the actual price at the time of purchase. ** Dance shoes and jazz shorts are not discounted.***

Tips on Tights ...

- ◆ Hand wash or place in a garment bag when you wash in machine

- ◆ Do not dry in the dryer (hang them to dry)

- ◆ Purchase more than one pair of tights
 - A practice pair to wear in class
 - A pair to wear for pictures/recital

It is awfully hard to make it from September-May in the same pair of tights.
